INTRODUCTION

Circumstances when You are not covered

All insurance policies have exclusions and conditions and You should read the full Policy wording to familiarise Yourself with the full details of these important conditions and exclusions.

Some of the things We will not pay for include:

- **Certain Causes of Loss**: ordinary wear and tear, electrical or mechanical failure, rust, etc.
- **Excluded Goods**: Cash, credit cards, deeds, tickets, jewellery, precious stones watches, precious gems, metals or bullion, etc.

Excess

When You make a claim under this Policy You may be asked to pay an Excess. This is the amount You contribute towards the cost of Your claim. Your Policy Schedule shows the base Excess that is payable. In some circumstances there may be an additional Excess.

Your duty of disclosure

Before You enter into an insurance contract, You have a duty under the Insurance Contracts Act 1984 (ICA) s.21 and the Marine Insurance Act 1909 (MIA) s. 24,25 and 26 (whichever is applicable) to tell Us pursuant to the ICA: anything that You know, or could reasonably be expected to know, which may be relevant to Our decision to insure You and on what terms, or, pursuant to the MIA: every material circumstance which is known to You or which ought to be known to You which would influence Us in fixing the premium or determining whether to accept the risk.

You have this duty until We agree to insure You. You have the same duty before You renew, extend, vary or reinstate an insurance contract.

- You do not need to tell us anything that:
  - reduces the risk We insure You for; or
  - is common knowledge; or
  - We know or should know as an insurer; or
  - We waive your duty to tell Us about.

If you do not tell us something

Where the Insurance Contract Acts applies: if You do not tell us anything You are required to, We may cancel Your contract or reduce the amount We will pay you if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

Where the Marine Insurance Act 1909 applies: if You fail to comply with Your duty of disclosure, We may avoid the contract from its beginning.

Who must tell Us?

Everyone who is insured under the Policy is required to comply with the duty of disclosure, including Your broker or agent.

Alteration of Risk

Please inform us of any fundamental changes to the facts or circumstances which existed when this insurance commenced that change the nature of the risk (for example, the nature of Your business operations, or other circumstances that affect the Goods carried) in a way that would increase the risk of loss or damage occurring You must notify Us immediately in writing. If We agree to the change We will do so in writing and may charge an additional Premium.
**INTRODUCTION**

**Premium and Costs – How the Premium is calculated**

Your Premium may be calculated using all or some of the following:

- Your Annual Sendings and/or turnover
- The types and value of Goods to be insured
- Where the Goods are to be transported to and from, the mode of transport and distance
- Sum Insured and limit of liability;
- Your insurance and claim/incident history and experience;
- Type of cover or extensions of cover chosen;
- Our obligation to pay relevant government taxes and charges. For example, GST payable in relation to the Policy.

The Original Annual Premium is a deposit Premium which is adjustable at the end of the policy period but in all cases a minimum Premium applies. If You fail to pay the Premium We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy.

**Cancelling Your Policy**

We are committed to safeguarding Your privacy. In complying with the Australian Privacy Principles We will collect and use

You may cancel Your Policy by giving Us notice in writing. We will refund Premium for each day of the unexpired Period of Insurance, less any applicable minimum premium. This fee will not apply if the cooling off period is activated.

The daily Premium will be calculated by dividing the premium by the number of days of the Period of Insurance. Some government taxes & duties are not refundable. Where You represent more than one person or entity, We will only carry out this cancellation where a written notification to cancel is received from all parties named in Your Policy Schedule.

We may cancel only when the law allows Us to do so, and We will allow three business days notice for You to seek alternative insurance or as otherwise required under the **Insurance Contracts Act 1984** (Cth).

Where the Marine Insurance Act 1909 applies, We may cancel the Policy in the event of any non-payment of the Premium or for any other reason available at law. Details are outlined in the Cancellation clause in the Conditions area. In any case, Cancellation will be effective from 4 pm of the day on which the notice of cancellation is effective.

**Privacy Policy**

We are committed to safeguarding Your privacy. In complying with the Australian Privacy Principles We will collect and use Your personal information:

- Only for the purpose of providing and administering Our products and services, including keeping You up to date with Our products and services;
- Only for the purpose for which it was collected, which may include disclosing it to third parties with whom We have arrangements to protect Your Privacy.

You may choose not to provide this information, however, NTI may not be able to process Your request.

We will take all reasonable steps to make sure that personal information that We hold about You is accurate, complete, and up to date and that it is protected from misuse, loss or unauthorised access, modification or disclosure. If any information is inaccurate you must contact us to update your records. You can request access to Your personal information, by phoning or writing to Us. Information security protocols are in place to minimise the risk of unauthorised access to Your personal information.

In special circumstances, We may decline to release the information but We will not do so unreasonably. In these circumstances, We will give You reasons and You will have the right to request Us to review Our decision using Our complaints handling procedures. We will provide Our reasons in writing upon request.

If you need to make a complaint about your personal information or make a complaint about a privacy breach you can do so by phoning us on (07) 3292 9800 or by writing to PO Box 13550 George Street QLD 4003. Resolving Your complaints

What You do and who You contact if You have a complaint or dispute involving us:

If You have a complaint or dispute about Your insurance policy, decisions on Your claim or the service You have received from Us or one of Our authorised representatives, You may access Our Internal Dispute Resolution process.

The first step is to contact Your closest NTI office. Contact details can be obtained by visiting www.nti.com.au and a brochure on Our Dispute Resolution System is available from all NTI offices.

Internal Dispute Resolution – Complaints

Once You contact Us, Our staff will help You in every way they can. If You are not satisfied with the outcome Your complaint will be referred to the staff member’s supervisor who will deal with it promptly.

If You are still not satisfied Your complaint can be handled through Our Internal Dispute Resolution service by a different employee who has appropriate experience, knowledge and authority to conduct a full review.

To access that service, ask the Supervisor or Manager You are dealing with to refer Your complaint to Our Dispute Resolution Officer. Your complaint will then be treated as a dispute.

Internal Dispute Resolution – Disputes

We will notify You of the name and contact details of the employee assigned to liaise with You in relation to Your dispute. That employee will acknowledge receipt of Your dispute in writing, usually within 5 working days.

Provided that We have all the necessary information and no investigations are in progress, a final decision on Your dispute will be forwarded to You in writing, usually within 15 working days. Where further information or investigation are required, We will endeavour to agree a reasonable time frame extension with You.

We have 45 days to respond from the date that Your complaint is received.

Our response will include:

a. reasons for Our decision,

b. information about how to access Our External Disputes Resolution (EDR) Scheme, and

c. notify You of the time frame within which You must register Your dispute with the EDR Scheme, (usually within two years of Our final decision).

External Dispute Resolution

Our Internal Dispute Resolution Service is designed to seek to resolve any complaints or disputes that may arise. However, if We are unable to resolve Your dispute to Your satisfaction within 45 days, We will inform You of the reasons for the delay and that You can take Your dispute to Our EDR scheme, administered by the Australian Financial Complaints Authority (AFCA), even if We are still considering it (and provided Your dispute is within AFCA Terms of Reference). We are a member of AFCA which is an ASIC approved external dispute resolution scheme and it may be able to resolve Your dispute. You may be entitled to assistance from the AFCA, however this is subject to the claim circumstances and the AFCA eligibility criteria.

Before the end of that 45 day period We will inform You that You have this right and details of how to access Our EDR Scheme.

AFCA is responsible for monitoring compliance with the General Insurance Code of Practice. It is available to customers and third parties who fall within its Terms of Reference and is an impartial body that is completely independent of Us. AFCA will initially determine whether Your dispute falls within its Terms of Reference and will notify You whether it may proceed to review Your dispute.

Your dispute must be lodged with AFCA within two years of the date of Our final decision.

Where AFCA Terms of Reference do not extend to Your dispute We will advise You to seek independent legal advice or give You information about other external dispute resolution options, if any, that are available to You.
INTRODUCTION

The contact details for AFCA are:

Australian Financial Complaints Authority
National Toll Free number 1800 931 678
GPO Box 3 Melbourne VIC 3001 Email: info@AFCA.org.au Web: www.afca.org.au

General Insurance Code of Practice

We are a signatory to the General Insurance Code of Practice.

We are committed to raising standards of service to Our customers. This Code sets out the minimum standards We will uphold in the services We provide to You and is a practical demonstration of Our commitment to providing a high level of service to Our customers.

DURATION

Transit Clause

5. This insurance

5.1. attaches only as the subject-matter insured and as to any part as that part is loaded on an oversea vessel and
5.1.2 terminates, subject to 5.2 and 5.3 below, either as the subject-matter insured and as to any part as that part is discharged from an oversea vessel at the final port or place of discharge, or on expiry of 15 days counting from midnight of the day of arrival of the vessel at the final port or place of discharge, whichever shall first occur; nevertheless, subject to prompt notice to the Insurers and to an additional premium, such insurance reattaches when, without having discharged the subject-matter insured at the final port or place of discharge, the vessel sails therefrom, and terminates, subject to 5.2 and 5.3 below, either as the subject-matter insured and as to any part as that part is thereafter discharged from the vessel at the final (or substituted) port or place of discharge, or on expiry of 15 days counting from midnight of the day of re-arrival of the vessel at the final port or place of discharge or arrival of the vessel at a substituted port or place of discharge, whichever shall first occur.

5.2 If during the insured voyage the oversea vessel arrives at an intermediate port or place to discharge the subject-matter insured for on-carryage by oversea vessel or by aircraft, or the subject-matter insured is discharged from the vessel at a port or place of refuge, then, subject to 5.3 below and to an additional premium if required, this insurance continues until the expiry of 15 days counting from midnight of the day of arrival of the vessel at such port or place, but thereafter reattaches as the subject-matter insured and as to any part as that part is loaded on an on-carrying oversea vessel or aircraft. During the period of 15 days the insurance remains in force after discharge only whilst the subject-matter insured and as to any part as that part is at such port or place. If the subject-matter insured is on-carried within the said period of 15 days or if the insurance reattaches as provided in this Clause 5.2

5.2.1 where the on-carriage is by oversea vessel this insurance continues subject to the terms of these Clauses, or

5.2.2 where the on-carriage is by aircraft, the current Institute War Clauses (Air Cargo) (excluding sendings by Post) shall be deemed to form part of the contract of insurance and shall apply to the on-carriage by air.

5.3 If the voyage in the contract of carriage is terminated at a port or place other than the destination agreed therein, such port or place shall be deemed the final port of discharge and this insurance terminates in accordance with 51.2. If the subject-matter insured is subsequently reshipped to the original or any other destination, then provided notice is given to the Insurers before the commencernent of such further transit and subject to an additional premium, this insurance reattaches

5.3.1 in the case of the subject-matter insured having been discharged, as the subject-matter insured and as to any part as that part is loaded on the on-carrying vessel for the voyage,

5.3.2 in the case of the subject-matter not having been discharged, when the vessel sails from such deemed final port of discharge, thereafter this insurance terminates in accordance with 51.4.

5.4 The insurance against the risks of mines and derelict torpedoes, floating or submerged, is extended whilst the subject-matter insured or any part thereof is on craft whilst in transit to or from the overseea vessel, but in no case beyond the expiry of 60 days after discharge from the overseea vessel unless otherwise specially agreed by the Insurers.

5.5 Subject to prompt notice to Insurers, and to an additional premium if required, this insurance shall remain in force within the provisions of these Clauses during any deviation, or any variation of the adventure arising from the exercise of a liberty granted to carriers under the contract of carriage.

DURATION

Transit Clause

4. 41 This insurance

4.1.1 attaches only as the subject-matter insured and as to any part as that part is loaded on the aircraft for the commencement of the air transit insured

and

4.1.2 terminates, subject to 4.2 and 4.3 below, either as the subject-matter insured and as to any part as that part is discharged from the aircraft at the final place of discharge

or

on expiry of 15 days counting from midnight of the day of arrival of the aircraft at the final place of discharge, whichever shall first occur;

nevertheless,

subject to prompt notice to the Insurers and to an additional premium, such insurance

4.1.3 reattaches when, without having discharged the subject-matter insured at the final place of discharge, the aircraft departs therefrom,

and

4.1.4 terminates, subject to 4.2 and 4.3 below, either as the subject-matter insured and as to any part as that part is thereafter discharged from the aircraft at the final (or substituted) place of discharge,

or

on expiry of 15 days counting from midnight of the day of re-arrival of the aircraft at the final place of discharge or arrival of the aircraft at a substituted place of discharge,

whichever shall first occur.

4.2 If during the insured transit the aircraft arrives at an intermediate place to discharge the subject-matter insured for on-carriage by aircraft or oversea vessel, then, subject to 4.3 below and to an additional premium if required, this insurance continues until the expiry of 15 days counting from midnight of the day of arrival of the aircraft at such place, but thereafter reattaches as the subject-matter insured and as to any part as that part is loaded on an on-carrying aircraft or oversea vessel. During the period of 15 days the insurance remains in force after discharge only whilst the subject-matter insured and as to any part as that part is at such intermediate place. If the subject-matter insured is on-carried within the said period of 15 days or if the insurance reattaches as provided in this Clause 4.2

4.2.1 where the on-carriage is by aircraft this insurance continues subject to the terms of these Clauses,

or

4.2.2 where the on-carriage is by oversea vessel, the current Institute War Clauses (Cargo) shall be deemed to form part of the contract of insurance and shall apply to the on-carriage by sea.

4.3 If the air transit in the contract of carriage is terminated at a place other than the destination agreed therein, that place shall be deemed to be the final place of discharge and this insurance terminates in accordance with 4.1.2.

If the subject-matter insured is subsequently consigned to the original or any other destination, then, provided notice is given to the Insurers before the commencement of such further transit and subject to an additional premium, this insurance reattaches

4.3.1 in the case of the subject-matter insured having been discharged, as the subject-matter insured and as to any part as that part is loaded on the on-carrying aircraft for the transit,

4.3.2 in the case of the subject-matter insured not having been discharged, when the aircraft departs from such deemed final place of discharge,

thereafter this insurance terminates in accordance with 4.1.4.
4.4 **Subject to prompt notice to Insurers, and to an additional premium if required,** this insurance shall remain in force within the provisions of these Clauses during any deviation, or any variation of the adventure arising from the exercise of a liberty granted to the air carriers under the contract of carriage.

(For the purpose of Clause 4 “oversea vessel” shall be deemed to mean a vessel carrying the subject-matter from one port or place to another where such voyage involves a sea passage by that vessel)

**Change of Transit**

5. 5.1 Where, after attachment of this insurance, the destination is changed by the Assured, this must be notified promptly to Insurers for rates and terms to be agreed. Should a loss occur prior to such agreement being obtained cover may be provided but only if cover would have been available at a reasonable commercial market rate on reasonable market terms.

5.2 Where the subject-matter insured commences the transit contemplated by this insurance (in accordance with Clause 4.1), but, without the knowledge of the Assured or their employees the aircraft leaves for another destination, this insurance will nevertheless be deemed to have attached at commencement of such transit.

6. Anything contained in this contract which is inconsistent with Clauses 3.8, 3.9 or 4 shall, to the extent of such inconsistency, be null and void.

**Increased Value**

8. 8.1 If any Increased Value insurance is effected by the Assured on the subject-matter insured under this insurance the agreed value of the subject-matter insured shall be deemed to be increased to the total amount insured under this insurance and all Increased Value insurances covering the loss, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

In the event of claim the Assured shall provide the Insurers with evidence of the amounts insured under all other insurances.

8.2 **Where this insurance is on Increased Value the following clause shall apply:**

The agreed value of the subject-matter insured shall be deemed to be equal to the total amount insured under the primary insurance and all Increased Value insurances covering the loss and effected on the subject-matter insured by the Assured, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

If owing to circumstances beyond the control of the Assured either the contract of carriage is terminated at a port or place other than the destination named therein or the transit is otherwise terminated before unloading of the subject-matter insured as provided for in Clause 8 above, then this insurance shall also terminate unless prompt notice is given to the Insurers and continuation of cover is requested when this insurance shall remain in force, subject to an additional premium if required by the Insurers, either

Change of Voyage

10.

10.1 Where, after attachment of this insurance, the destination is changed by the Assured, this must be notified promptly to Insurers for rates and terms to be agreed. Should a loss occur prior to such agreement being obtained cover may be provided but only if cover would have been available at a reasonable commercial market rate on reasonable market terms.

10.2 Where the subject-matter insured commences the transit contemplated by this insurance (in accordance with Clause 8.1), but, without the knowledge of the Assured or their employees the ship sails for another destination, this insurance will nevertheless be deemed to have attached at commencement of such transit.

This Clause 12, which does not apply to general average or salvage charges, shall be subject to the exclusions contained in Clauses 4, 5, 6 and 7 above, and shall not include charges arising from the fault negligence insolvency or financial default of the Assured or their employees.

Constructive Total Loss

13. No claim for Constructive Total Loss shall be recoverable hereunder unless the subject-matter insured is reasonably abandoned either on account of its actual total loss appearing to be unavoidable or because the cost of recovering, reconditioning and forwarding the subject-matter insured to the destination to which it is insured would exceed its value on arrival.

14. If any Increased Value insurance is effected by the Assured on the subject-matter insured under this insurance
the agreed value of the subject-matter insured shall be deemed to be increased to the total amount insured under this insurance and all Increased Value insurances covering the loss, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

In the event of claim the Assured shall provide the Insurers with evidence of the amounts insured under all other insurances.

**14.2 Where this insurance is on Increased Value the following clause shall apply:**

The agreed value of the subject-matter insured shall be deemed to be equal to the total amount insured under the primary insurance and all Increased Value insurances covering the loss and effected on the subject-matter insured by the Assured, and liability under this insurance shall be in such proportion as the sum insured under this insurance bears to such total amount insured.

In the event of claim the Assured shall provide the Insurers with evidence of the amounts insured under all other insurances.

**BENEFIT OF INSURANCE**

**15. This insurance**

15.1 covers the Assured which includes the person claiming indemnity either as the person by or on whose behalf the contract of insurance was effected or as an assignee.

and

16.2 to ensure that all rights against carriers, bailees or other third parties are properly preserved and exercised

and the Insurers will, in addition to any loss recoverable hereunder, reimburse the Assured for any charges properly and reasonably incurred in pursuance of these duties.

**Waiver**

17. Measures taken by the Assured or the Insurers with the object of saving, protecting or recovering the subject-matter insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

**AVOIDANCE OF DELAY**

18. It is a condition of this insurance that the Assured shall act with reasonable despatch in all circumstances within their control.

**LAW AND PRACTICE**

19. This insurance is subject to English law and practice.
